Additionally, month of import coverage has been also revised based on the actual import figures sourced from DRC & MFCTC from August 2020 onwards, with a one year lag period.

⁽²⁾ Months of import coverages is subject to change once the actual import of goods and service figures are available. (Import figures used for FY2022/23 is carried forward of import figure of FY2022/23)

The essential Imports includes import of essential goods, mandatory services payment and debt servicings.
